

November 2016

Dear Parents, Alumni, Friends and Supporters,

We wanted to share the wonderful things we were able to accomplish with the funds that were generously donated last year:

- ★ Virtual Reality equipment to support Future Lab
- ★ A new Epson Powerlite projector for our Arts Building
- ★ Beautiful enhancements to the outdoor recess/picnic area, a project that was spearheaded by C-Group teacher Mike Evans and funded in part by PAC
- ★ A new school van to meet increased demand for transportation
- ★ Four “Classroom Angel” donations, allowing us to make several technology enhancements

Why do we ask you to give? We strive to keep our tuition as affordable as possible, and we appreciate your generosity as it helps us enhance our facilities, curriculum, and extracurricular activities that benefit our students. In the past, you have been very generous. Please continue helping us build on our success by making a gift to our school again this year.

**Ways of Giving:**

***Clark General Fund:*** Making a donation to the General Fund allows us to provide:

- Professional development opportunities to teachers and staff
- Expand our transportation routes
- Upgrade and maintain our facilities

***Classroom Angel Donations:*** We have **six** classrooms that need a Classroom Angel. A donation of \$1,500 will be recognized by naming a classroom after you, your family, or dedicating it to someone you would like to honor with a plaque placed outside the door of the classroom. This donation will allow us to update furniture and classroom needs:

- Flat-screen televisions
- Apple TVs, iPads, and other classroom technology
- Large classroom white boards, and tables and chairs

In addition, your employer may participate in Matching Gifts. Please check with your Human Resources Office to obtain the appropriate paperwork to send with your donation. Please see our website:

With our deepest appreciation and best wishes for a happy and healthy 2017,

Jeff Clark  
Head of School
